Subj: SPONSORSHIP PACKAGE FOR MUSIC FOR VETS

Community Leaders,

Tom Whitmore Post 28 of The American Legion is announcing the ninth Annual Music For Vets event. This Benefit show will be held on January 7th 2023 at the Island Pavilion in Green River, Wyoming. This is a Tom Whitmore Post 28 of The American Legion and Zamtrip event.

This is a benefit show, where bands and other musical acts donate or reduce their fees and perform during this charity event to raise proceeds for the local Veterans Relief Fund. All raised monies are designated as Veterans Relief. All funds stay local, to help Veterans, Veterans families, and traveling Veterans who breakdown or need assistance in the area.

The event is a five hour event and in 2022 raised in excess of \$40,000. The event has grown every year in both attendance and funds raised. Our goal for 2023 is to generate positive funds through donations and sponsorships and having the event be the biggest and most successful one yet. We are always ready to adjust to whatever is necessary to assure the safety of our participants, volunteers, and attendees. We had a great event in 2022 and with the planning of the 2023 event going full speed ahead, we are confident that 2023 is going to be a great and successful event. This is the ultimate goal as the Veteran Relief Fund has helped so many veterans in need and there will be so many more needing assistance in the future.

For 2023 we are offering Corporate/Individual sponsorship for the event. The enclosed sponsorship form lists the package available, or you can give via cash/check donation. We appreciate any support for our event and hope to see you there. Limited Sponsorship packages

which include Executive Band Sponsorship \$2,000 and Executive Stage Sponsorship \$1,000 are also available. Please make checks payable to:
The American Legion Post 28.

Sincerely,
//s//

Where do the Veterans Relief Funds go? These funds help Veterans in the region. We help Veterans who have exhausted efforts to put food on the table, who over extended their funds due to a unforeseen household emergency, an unexpected extra living expense when the Veteran is on a fixed income, when the Veteran is stranded in the area and needs emergency funds to make it a little further. Veterans with children and our senior homebound Veterans are always a priority to help. We do verify that the person is a Veteran and assess each case. We also cooperate between other Veteran organizations in the area to ensure that the immediate need is satisfied.

Tom Whitmore Post 28 of the American Legion distributes these funds only as Cash Grants. Tom Whitmore Post 28 of The American Legion has distributed over \$66,000 over the past 7 years to Veterans in Need and other veterans assistance programs. Music for Vets has generated \$55,000 towards the Local Area Veterans Assistance programs over the past 7 years. These Veteran Assistance programs are administered through Tom Whitmore Post 28 of The American Legion, Archie Hay Post 24 of The American Legion and Post 2321 Green River, Veterans of Foreign Wars.
